CONNECTING THE DOTS ABOUT AMERICANA MUSIC

Great  
new music book  
for fans of  
Country, Folk,  
Blues, Cajun...

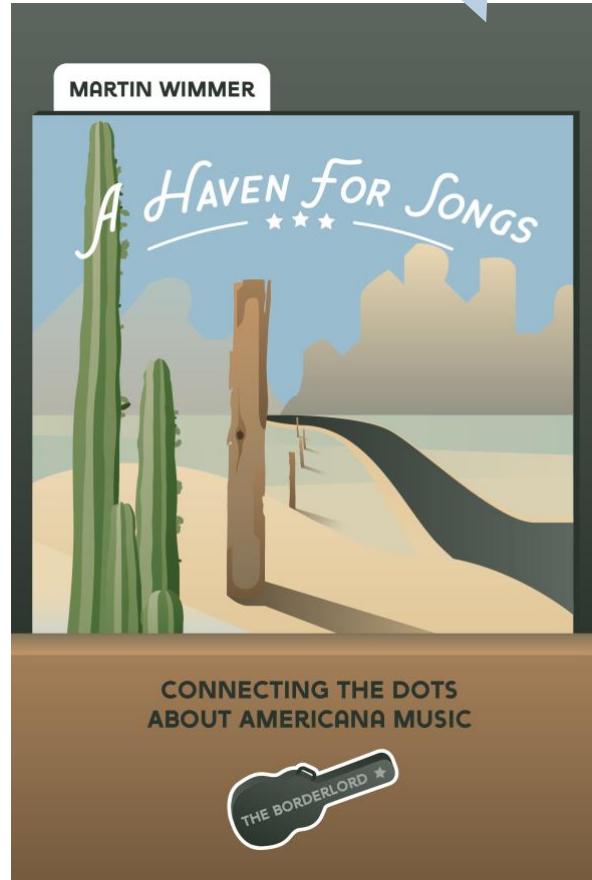

With *A Haven For Songs: Connecting The Dots About Americana Music*, selected works of German novelist, lyricist and music critic Martin Wimmer are available internationally for the first time.

Martin Wimmer explains his personal relationship with the art of magicians such as Townes Van Zandt, Jerry Jeff Walker, Blaze Foley, Woody Guthrie, John Prine, Bob Dylan, and Johnny Mercer. These artists, among many others mentioned in the book, are the glue that holds together time, love, history, space, and identity. Join Wimmer on a trip down musical-memory lane as he recounts his adventures at the 30A Songwriter Festival in Florida, the Kerrville Folk Festival in Texas, and New York City. Finally, experience Wimmer's perspective on the Cajun music of Louisiana, Hawaiian Slack Key, the Paisley Underground scene in California, Americana in Europe, and how each of these music scenes are tied to the "Country & Folk" music we know and love today.
